“If we can’t get to you we can’t help”

Medina Township Police Department has a solution. We were able, through our Community Relations Grant, to purchase a limited number of Lock Boxes. We will be giving them away to township residents who meet certain criteria. If the resident is awarded a Lock Box we will install the lock box for you. The combination will be securely stored in our data base so if we ever need to gain entry to your home we will be able to do so with no damage to your home.

You only need to fill out an application and submit it to Chief Arbogast at Medina Township Police (darbogast@mtpd.net) or drop it off at our station located at 4877 Fenn Road, Medina, Ohio 44256. The application can be found on our webpage or you can pick one up at the police station.

To be eligible for a lock box you must have one or more of the following situations:

1. *Over 65 and on a fixed income.*
2. *Disabled at any age.*
3. *Have a specific medical condition that would warrant emergency entry to get to you.*
4. *A disabled veteran at any age.*
5. *have a medical monitoring system*

We are happy to offer this service free of charge to the citizens of Medina Township. If you have any questions on this program you may call Chief Arbogast at 330-721-1395. Together we can build a safer community.

This project is funded by grant number 2016-CP-CPI-304 - Ohio Community-Police Relations Grant Program 2016.
